

## CERTIFIED SECRETARY COURSE

## JANUARY, MAY & SEPTEMBER INTAKE ONGOING

Mount Kenya University's Center for International Development Law (CIDLAW) invites eligible candidates to apply for a course in Certified Secretary (CS). The professional course formally known as Certified Public Secretary (CPS) is accredited and awarded by KASNEB.

## KEY BENEFITS OF THE CS PROGRAM

Corporate Governance:

CS professionals play a vital role in ensuring effective corporate governance within organizations.

Professional Credibility:

Certification as a CS enhances professional credibility and validates expertise in corporate secretarial practice.

Career Advancement:

Holding CS certification can open up career advancement opportunities such as company secretaries, corporate governance advisors, compliance officers & corporate legal advisors

**Expertise in Business Administration:** 

CS professionals are trained in various aspects of business administration, including corporate law, company formation, shareholder relations, and corporate restructuring.

Global Recognition:

CS certification is recognized internationally which is advantageous for professionals seeking career opportunities outside their home country or working with multinational corporations.
